

MILL VALLEY JAGUAR LACROSSE

2024 Sponsorship Opportunities

Thank you for expressing your interest in a sponsorship opportunity. Our club is a recognized 501(C)(3) not-for-profit, and we are funded by participation fees, fundraising, and sponsorships. Tasked with being good stewards of our resources, we use what we collect to fund the operations of our club: practice field rental, game stadium rental, indoor practice space, leagues fees, referee fees, equipment such as goals, balls, sticks, uniforms and finally coaches pay (all head coaches are offered pay).

The board and all other administrative roles are non-compensated positions. Lastly, we do not want cost to be a barrier for any child not to be able to play. As such, we utilize a portion of our funds for scholarships for players in need.

Due to increasing participation numbers, we are now in the position to use sponsorship and fundraising donations to dream bigger. We will be able to invest in equipment for player use, offer additional scholarships, fund team trips to play out-of-town teams, and more. Most importantly, we will be able to substantively effect the economic barriers that exist, which hinder growth and prevent players from trying something new.

Your support will help us bring this beautiful game to more kids on the West side of the KC Metro.

What can we offer you?

- Recognition and tags on all MVLAX social media platforms
- Your business logo and a link to your business website will be displayed
- Framed certificate for your business
- Feature on MV LAX banner displayed at all JAGSLAX HOME GAMES (Youth and High School)
- Your business will be recognized at all year-end banquets.
- Announcement & recognition of your sponsorship at each home game (primarily HS, where we have access to the press box)
- Our unrelenting appreciation and loyalty
